Sub: Request to issue Fire-Safety Certificate for Kendriya Vidyalaya, reg.,**Greetings from Kendriya Vidyalaya Raichur.**

Respected Sir,

With request to the subject cited above, I am writing to request a fire safety inspection of your school premises and the issuance of a fire safety certificate for our school. Our institution, Kendriya Vidyalaya Raichur, is currently renewing CBSE affiliation, and compliance with fire safety regulations is a mandatory requirement for the affiliation process. We believe that obtaining a fire safety certificate from your esteemed department will not only meet the affiliation criteria but also reinforce our dedication to the safety of our school community.

We kindly request that a team from the Fire Department visit our school at your earliest convenience to conduct a thorough inspection of our premises. The inspection should encompass all areas, including classrooms, laboratories, administrative offices, common areas, libraries and any other relevant spaces.

During the inspection, we would appreciate your guidance on any necessary improvements or corrective measures to ensure compliance with fire safety regulations. Following the inspection, we kindly request the issuance of a fire safety certificate, stating that our school adheres to the required fire safety standards.

We understand that the Fire Department's schedule may be busy, but we kindly request your cooperation and flexibility in accommodating our request as we strive to fulfill the CBSE affiliation requirements within the designated timeframe. We are confident that with your assistance and expertise, we can successfully meet the necessary fire safety standards and obtain the certification promptly.

We sincerely appreciate your attention to this matter and look forward to a positive response.

Yours sincerely,

Principals I/c
